Sub:- Damage of OFC cable of BSNL between Jirkatang & Middle Strait :- reg

Sir,

This is to inform that reports have been received about cutting of BSNL's OFC cable between Jirkatang & Middle Strait. In this regard it is noteworthy that there is regular deployment & movement of Police as well as AAJVS staff in the said route and it is not possible for any outsider to intrude & damage the cables. In this context a field visit was done by the BSNL technical team along with AAJVS staff, Medical staff & Police and on being contacted by the AAJVVS staff, the *Jarawas* allegedly stated that "isko todne me maza aata hai"

The above alleged purported act of *Jarawas* causing damage to public property is a grave one severing communication ties between Port Blair and North Andaman. Hence, it is requested that the matter may kindly be noted for further necessary action at your end.

Yours faithfully
