Sub: Regulation of vehicular traffic on portion of ATR between Prolobjig 3 to Prolobjig 15 in Middle Andaman – reg.

Sir,

While reviewing the safety and security of the Jarawa tribe including the vehicular traffic on the ATR, as enshrined in the Jarawa Policy of 2004, a strong need has been felt to further strengthen the protection measures apart from regulating the vehicular traffic between Prolobjig 3 to Prolobjig 15 of ATR in Middle Andaman by putting in place the following measures immediately: -

1. Enforcement of the Speed Limit of 40 km per hour for the vehicles plying between Prolobjig 3 to Prolobjig 15.
2. Putting speed breakers at strategic points to be decided and constructed in-consultation with AAJVS and APWD
3. Fixing roadside proper signages on "Speed Limit", on "No Overtaking", and on "No Honking"
4. Installation of CCTV camera at Prolobjig 3 and Prolobjig 15.

I am therefore directed to request you to kindly put the above measures in place immediately for the safety of Jarawa tribe and make available a report on action taken within a month's time for apprising the Competent Authority in the Administration accordingly.

This issues with the approval of the Chief Secretary, A&N Administration.

Yours faithfully,
