Sub:- Allotment of land at Tirur-reg.
Sir,

The Andaman Adim Janjati Vikas Samiti requires land at Tirur to construct eco-friendly ward and contact points for implementation of various welfare schemes formulated for the Jarawas. This issue was once again raised by the PRI members during the recently held meeting of the District Planning Committee.

During the meeting of the Executive Council of AAJVS held on 4th July 2012, the need for a suitable land at Tirur for the above purpose was expressed and you had agreed to the same and assured that his department will allot suitable land to AAJVS. The Tribal Welfare officer, AAJVS, Tirur informed that sufficient vacant land is available near the land allotted to Police department.

File No: TFG RC No: 267/2012 & TFC RC 1378/2012 are available with your office regarding the field observations

The AAJVS has made adequate provisions in its annual plan for construction of an eco-friendly ward for administering medical care to the Jarawas as well as contact points so as to stop unwarranted contact of the non-tribal people with the Jarawas. The General Body meeting of AAJVS is scheduled to be convened during the 4th week of January 2013 under the Chairmanship of Hon'ble Lt Governor and the issue of allotment of land shall be an agenda for the meeting.

You are therefore requested to kindly take necessary action for allotment of 1000 Sq. Mtrs of vacant land at Tirur for the development of infrastructure for welfare of the Jarawas.

Yours faithfully
