Sub:- Completion of work and handing over building -reg.
Sir,

In continuation of this office letter of even number, I am to state that self inspected the construction work of AAJVS office (old passenger hall) at Middle Strait on 27th October 2013 and observed that drainage is urgently required to be constructed behind the building to prevent water flow as well as to check soil erosion from the hillock.

Now since the civil work in the building is going on, you are requested to kindly direct for construction of drainage behind the building for the above said purpose. Necessary funds for the above work shall be sanctioned from the plan head "Capital Works" of Directorate of Tribal Welfare Department".

Kindly treat the matter as urgent.

Yours faithfully

Executive Secretary
