***Sub:- Providing motor dinghy for Composite Group No. I.***

Dr. B.K. Das, Coordinator of Group No. I spoke to me over the phone on 16.8.2002 and reported that the motor dinghy meant for the Composite Group I has not yet been made available. As a result the survey work is hampered. Quotations were finalized and orders were issued before the commencement of the survey work during the third phase. It is reported that a Signal has been sent to Kadamtala by Shri K.C. Ghoshal, Executive Secretary, AAJVS issuing instructions deviating from the approved Order.

Shri A.L. Singh, R.O (TW) who is now looking after the charge of Executive Secretary, AAJVS shall investigate into the matter and submit the report as to how the motor dinghy have not yet been provided to Group No. I. He shall indicate the lapses, if any, on the part of the concerned officer / officials clearly as the matter relates to the work connected with the High Court Order.
