

23

The overall composite estimated expenditure in terms of halting and running charges per day for each of the three firms are calculated as under:

Probable estimated time required to reach Badabalu = 2 hours
Probable trips per day = 2 trips
Running time = 4 hours
Halting time = 8 hours

a) M/s Abharani Self help Group, Manpur;

Running charges = Rs.70/- x 4 = Rs. 280/-
Halting charges = Rs.22/- x 8 = Rs. 176/-
Total = Rs.456.00

b) Shri Suresh Kirtania, Manpur

Running charges = Rs.75/- x 4 = Rs. 300/-
Halting charges = Rs.30/- x 8 = Rs. 240/-
Total = Rs.540.00

c) M/s Laxmi Stores, Manpur

Running charges = Rs.75/- x 4 = Rs. 300/-
Halting charges = Rs.25/- x 8 = Rs. 200/-
Total = Rs.500.00

Out of the above three firms, M/s Abharani Self help Group, Manpur has quoted the lowest rate for halting and running charges @ Rs.540/- per day. This rate of M/s Abharani Self help Group when compared to the composite rates quoted by Shri Nil Kumar Mondal i.e. Rs.588/- per day (being the quotation in the first tender) is further lower, which indirectly is a financial gain to AAJVS.

Therefore, it is proposed that the rate quoted by M/s Abharani Self Help Group, Manpur may be accepted so that we may award them the contract. In anticipation of the concurrence from the Secretary (TW), A&N Administration, draft supply to M/s Abharani Self help Group, Manpur, is added for approval please.
