Sub: Sparing forest camps for the composite team members for camping during the study on Jarawa- Reg.

Sir,

I am directed to inform you that the third phase of study on the Jarawa is to commence from 10<sup>th</sup> of August 2002. It was decided in the meeting held on 17.7.2002 at Marine hill Circuit house, that due to monsoon the team members will find it difficult to camp in the Jarawa area by using tents. Therefore, they have requested for stay at forest camps, Community halls and passenger halls.

Henceforth, it is requested that the forest camps under your disposal at Kadamtala / Phooltala area may be permitted for use as camping place during the third phase of study.

Yours faithfully,

Executive Secretary,
