Therefore the members of this composite Group may require the mineral water and if so the requirement of the mineral water will be as follows:-

a) The Composite Group members 16(members)
X 03 Nos per day X 30 days
=1440 bottles X Rs.10/-perbottle = Rs.14,400-00

b) 18 (members)
X 03 Nos per day X 10 days
= 540 bottles X Rs. 10/-per bottle = Rs. 5,400-00

=Rs. 19,800-00

Keeping in mind of the incidental requirement we may procure 2500 bottles (i.e. 1440+ 540= 1980 + 520(additional requirement= 2500 bottles) X Rs. 10/- = Rs. 25,000-00

Submitted for further direction please.
