Port Blair, dated the 23rd July, 2002

To

The Executive Secretary
AAJVS
A&N Administration
Port Blair.

Sir,

I am directed to invite your reference on the discussion meeting held in the Marine Hill guest house under the Chairmanship of Mr. K. B. Saxena on 17/7/2002 at 6.00 PM wherein it was decided that the Directorate of Health Services will do the nutrition survey of Jarawas during 3rd phase starting from 10th August, 2002 in addition to health survey. In order to conduct the nutrition survey by the health department during the 3rd phase, 3 new Health Educators have been taken in to the health and nutrition team alongwith others. During the meeting, Prof. Indira Chakraborty has agreed to send 2 resource persons from All India Institute of Hygiene and Public Health on 6/8/2002 to train the health and nutrition team in detail so that the data collected in the field will be of high quality and after the final phase of survey we can come to a definite conclusion on the nutritional aspects of Jarawas.

As such, you are requested to make all arrangements for the visit of the resource persons and trainees from 6/8/2002 in consultation with Prof. Indira Chakraborty.

Yours faithfully,

Deputy Director (TH)
