

Therefore, you are requested to organize the crash course on Jarawas language for the benefit of the Members of the Composite Group.

Still further para 12(m) of the minutes also pertains to your organization. Therefore, in accordance with the decisions of the Expert Committee you may kindly take necessary action to write to the Medical Anthropologists of repute on the issue of health and impact of administering modern medicine among the primitive tribes else where in the world

A line on action taken report may kindly be intimated to us for the appraisal of Lt. Governor, A&N Islands.

Yours faithfully,
