

311

In order to follow the time schedule decided the following two staff members of All India Institute of Public hygiene and Health were required to travel by air as there was no suitable ship sailing to enable them to reach Port Blair in time.

1. Mr. B. K. Roy
2. Dr. D. Chaudhuri

In anticipation of the ex-post facto approval, the Andaman and Nicobar Administration has allowed the two officials to travel by air from Port Blair and back. As such may kindly approve their air travel in the public interest.

Yours faithfully.
