SIGNAL

To : The Tribal Welfare Officer, KADAMTALA

From : Executive Secretary, AAJVS , Port Blair

No. : 11-20/AAJVS/TW-2001 ११४ Dated १/12/2001/

Two Engine Dinghies are required for the study of Jarawas by the Composite group from 10.12.2001 onwards (.) The engine dinghies are to be stationed with the Composite Group one at Tirur area, South Andaman and Lakra Lungta area in Middle Andaman Island (.) Engine Dinghie are required to reach food items etc to Composite Groups camping in the Jarawa area (.) Boats will be required to be anchored at the spot on the coast nearest to the camps of Composite Groups (.) Boats will move to the base point like utara Jetty or Tirur etc whenever required (.) Talk to the owners of the motor Dinghie who have got the contract with the Andaman Adim Janjati Vikas Samiti and also others to obtain lowest rate of hire charges per day and also lowest rate for running the boat per hours (.) The matter most urgent (.) Boats are required to be positioned on 10.12.2000 (.) Inform action taken by signal (.)
