Sub:- Police assistance to locate the Jarawa camps in the Tirur area of Southern Island- reg.

Sir,

I am directed to inform you that the study teams after the training are scheduled to leave for the survey among Jarawas in accordance with the decision taken by the Expert Committee under the Chairmanship of Lt. Governor. One of the teams is required to study the Jarawas of Tirur area while the other two teams will study the Jarawas of R.K. Nallah area and of Middle Andaman Island.

The teams consisting of doctors, nutritionists, anthropologists, Zoologists, Botanist and Forest officers and others will be camping in the Jarawa area to conduct study / survey.

Jarawa camps of Tirur area are to be located in the first instance and then the study teams will camp there. In this connection it is decided in the training meeting held on 8.12.2001 which was attended by Secretary (TW) and Shri K.B. Saxena member of the Expert Committee, (former Secretary to Govt. of India) and others that the assistance of Police will be sought to locate the Jarawa Camps in the Tirur area quickly so that the study of the Jarawas could be started w.e.f. 10.12.2001.
