

It has also been decided to deploy M.V Shompen for the purpose of study of Jarawas of Tirur area. The study Team will be sailing in this vessel to the West Coast of South Andaman Island on 10.12.01. The Teams will land on the coast to conduct study among the Jarawas of Tirur area. They will come back to M.V. Shompen anchored in the shore for the night halt. The team will again land next day for the study. This system would continue till the study is completed.

Therefore, you are requested to depute the police escort to accompany the Study Team, sailing by M.V. Shompen. In this connection, kindly refer to the discussions you had with Secretary(TW) over the phone on 8.12.01 and Director(TW).

Yours faithfully,
