Port Blair, the 6th Oct 2001

Dear Dr Dave,

Kindly refer to Hon'ble Lt Governor's d.o.letter of even number dated 21st Sept 2001 regarding deputing a team of experts to Port Blair to discuss various aspects relating to health care of Jarawas.

We had requested to depute the team for 16th Oct 2001. In this connection, discussion of Dr KB Saxena, member of the High Powered Committee constituted by Ministry of Home Affairs with you may kindly be recalled. The Director of Health Services of A&N Administration is analyzing the case records of the Jarawa patients and the basic papers for discussion with the professional experts will not be ready by 16th of this month. It is, therefore, requested that the team may not be deputed on 16th Oct 2001.

The Director of Health Services has intimated that the concerned records will be ready by third week of Nov 2001. Since the Director of Health Services will be out of station for couple of weeks, the date during which the team is required to be in Port Blair will be intimated later.

This is for your kind information and further necessary action.

With kind regards,

Yours sincerely,

(Dr MM Kutty)
