Dear Shri Kher,

Dt. 14th May, 1990

I hope you are in receipt of my letter to the Lt. Governor a copy of which was sent to you. I am thankful to the A&N Administration for the help and co-operation this Bureau and me in particular, have received in covering the activities in the Islands.

We propose to publish a series of articles, photo features and news stories in the national press, radio and Television on economic programmes and projects of the Islands as also on the prospect of tourism and welfare measures for the primitive tribes. The undersigned has also been assigned by National Book Trust to write a book on the Primitive Tribes of the Islands. A book on Andaman-the land and the people (by the same author) is under print (Publications Division).

I, therefore, propose to accompany the contact group to Jarawa, Sentinalese Islands, Dugong Creek and the Strait Island, as in the past. I hope you will very kindly accommodate me and my colleague Shri P.K. Majumdar (P.I.B., Port Blair). I very much wanted to have a glimpse of the Shompen life. Since that is not possible without your help I would only request you to include me if any such contact
