Sub:- Visit of tribal areas like Jarawa camps  
by unauthorised persons.  
-----

Secretary (TW) has come to know through reliable sources that some unauthorised persons are visiting the tribal areas including the Jarawa camps <sup>in</sup> clandestine. For example, it is said that the boat owned by the Shompen Hotel was some time used to carry the unauthorised persons to Jarawa area in the recent past in Middle Andaman Island. Therefore, a ~~discrete~~ discreet enquiry may be conducted in this connection.
