Full moon of this month is falls on 11th. As usual the Jarawa contact party has to proceed to Jarawa area on the day, to make contact with Jarawas. mv 'Milale' is not sea worthy. During the last month, the party proceeded to Jarawa area by ferry boat unto Kadamtala and from Kadamtala to Jarawa area by motor dinghi, hired from Kadamtala. If approved the same method may be adopted during this month also.

Submitted for orders please.

MV Milale had been lying idle for long and the Master was to take it out for trial. Ascertain the views of the Master in writing, whether the Contact party was able to contact the Jarawas?
