

(74)

M.V. Milale is lying idle since August 1989. under water Portion of the vessel checking and painting is ~~now~~ necessary before going out for any trial. H.M. (M) may kindly be requested to take the vessel on dry dock / slip way for a week for under water Portion checking and painting. Vessel was on dry dock from 30.5.88 to 17.6.88 to repair the leakage and other Engine works.
