(A Joint Venture of Vasishta constructions Pvt Ltd., and Mantena Infra LLP)

Date:-16-02-2019

To,  
Executive Assistant AAJVS  
Assistant Commissioner Tribal Welfare  
Andaman & Nicobar Island

Sub:- Construction of Major Bridge over Middle Strait Creek between Km. 106.590 to Km. 107.762 of NH-223 (New no: NH-4) connecting South Andaman & Baratang Islands in the Union Territory of Andaman & Nicobar Islands on EPC Basis. Reg: Trees felling activity at Middle Strait, Jarwa forest Reserve area.

Respected Madam,

We M/s. Mantena Vasishta Bridge JV have been awarded to execute the bridge work between Middle Strait and Baratang Islands. We have also initiated our tree felling activity at Baratang area and are expecting completion of the activity on or before 18<sup>th</sup> Feb 2019.

In Middle Strait area, we have an area of 520 meters within which we are expected to build our approach road and in this regards we have to start the tree felling activity within our assigned alignment (as defined by NHIDC) of 18 meters starting from ATR till the creek.

We have already communicated our intent to start the activity within the mentioned timelines to the DFO of Wimberlygunj Area (Mr Murali Shankar) and we have their consent. Simultaneously we are also approaching the S.P, South Andaman to support us in allocating 2 to 4 armed guards, which are hopeful of approval within the next few days.

We would kindly request your support in allocating 1 to 2 resources from your end, who would help us in ensuring smooth daily operations between the timeline of 6am to 3pm all 7 days in a week. We would have 25 to 30 labours allocated for a period of 30 to 45 days period, who would be working along with our site engineer's and surveyors in felling trees.

Your support and guidance in this regard would be highly appreciated.

Thanking You & Regards

Authorized Signatory  
Mantena Vasishta Bridge JV
