Sub:- Repair of at Strait island-reg.

Sir,

Kindly find enclosed herewith copy of the tour note of Secretary (TW) accompanied by Assistant Commissioner (TW), Officers from your department & Andaman Lakshadweep Harbour Works to Strait Island on 30/06/2012. The Hon'ble Lt Governor has directed that the departments to complete the tasks on priority.

During the tour, the Great Andamanese complained that many street lights are not functioning making it very difficult to move at night. Since, there is a good distance between the Andamanese houses and the medical sub-center, proper functioning of street lights is a very much essential.

You are therefore requested to kindly depute men and material to Strait island to repair the street lights.

Kindly treat the matter as most urgent.

Yours faithfully
