This is a letter received from Superintendent of Police (HQ) dated 19.12.2014 address to the Director (TW), A&N Administration Port Blair requesting to provide water supply and electric connections to the newly constructed quarters and one Guard room at Strait Island.

The S.P. (HQ) is informed that the LOP is functioning in a Type-I quarter having two rooms, one room is being used as rest room for guard personnel while another room is used for keeping Arms and Ammunition and store at Strait Island.

Newly constructed 06 Type-III quarters, 01 Type -II and 01 Guard room are completed by APWD. at Strait Island and handed over to AAJVS on 12.10.2012, but no water supply and electric connections to these newly constructed qtrs. And one Guard room have been providing yet.

Further, Superintendent of Police (HQ) has requested that the matter for providing water supply and electric connection to the newly qtrs. And one Guard room may taken up with concerned authority, so that the LOP Guard can be shifted to the newly building.

In this connection, this office was sent letter several times to concerned department for water supply and electric connection but till date no action has been taken.

It is proposed that we may send letter to Superintending Engineer, Electricity Department and Executive Engineer, CD-I APWD. For providing water supply and electric connection to newly constructed Building at Strait Island.

Submitted for approval please.
