**Sub:- Release of funds- reg.**

Sir,

In continuation of this office letter of even number dated 06/09/2012, I am to state that this office has received estimates for Rs.210.00 from APWD towards construction of RCC retaining wall, toe wall and CC drain to protect and safeguard the post Tsunami civil constructions at Strait Island. A landside behind the buildings have been reported by the In-Charge, Strait Island. APWD Officials are taking necessary steps to remove the earth.

Considering the gravity of the situation and safeguard the buildings constructed on the higher grounds for the tribes, it is requested that necessary funds may be sanctioned to AAJVS immediately so as to take up the above work on war footing.

Yours faithfully

**Executive Secretary**  
**AAJVS**
