Sub:- Supply of hand cast nets -reg.  
Sir,

I am to state that the Administration has settled the Onges belonging to the aboriginal primitive tribal community at Dugong Creek. The Administration is mandated with their welfare, protection and safety. During the tour of Secretary (TW) and Director (TW) the Onges demanded that hand cast fishing nets may be provided to them to enhance their catch of fish and enrich the supply of protein in their diet. The present population of Onges is 1q08 in 32 families

The General Body meeting of AAJVS to be convened under the Chairmanship of Hon'ble Lt Governor during the 3<sup>rd</sup> week of January 2013. The tour report of Secretary (TW) which has been approved by the L.G. shall be reviewed in the above meeting.

You are, therefore, requested to kindly arrange to supply sufficient quantity of hand cast nets to cater the needs of all the 32 Onges families.

Kindly treat the matter as most urgent.

Yours faithfully
