(VIII) Little Nicobar issues

The Commr-Cum-Secy(PWD)/ Secretary (TW) visited Afra Bay, GNI and settlement area in Little Nicobar Island mainly Makachua and other villages. The following issues were raised by the 1st Captain of Afra Bay Shri Morison and 1st Captain Makachua Shri Peter.

AFRA BAY

1. It was observed during the visit that an Anganwadi building upto the plinth level was lying incomplete for a long time due to the default of the contractor. The EE, APWD, C/Bay informed that this issue has to be sorted out in discussion with the Social Welfare department. Commr-cum-Secy(PWD) directed the EE, APWD to sort out this issue at the earliest and construct an Anganwadi made of wooden structure i.e. construction locally and suitable for the locality at the earliest to cater to the demands of the tribals for an Anganwadi building. The
