Sub: Tour report-reg.
Sir,

I am to enclose herewith copy of tour report undertaken by me and Shri. S.A. Awaradi, Member, RAB, Andaman & Nicobar Tribal Research and Training Institute on 19/07/2014. The Secretary (TW) directed to discuss the following part of the tour report with Honorary Director, Andaman & Nicobar Tribal Research and Training Institute :-

"At present the Headquarters of Tribal Welfare Officer is at Kadamtala. His camp is located at Jirkatang. There are two straits to cross to reach the Jirkatang and is far away from Kadamtala. As such, it may be advisable to have a separate division for the area of the ATR which is very sensitive. Large number of tourists travel up to Baratang through this area. Hence, if there is a separate Tribal Welfare Officer the implementation of the tribal welfare activities from Jirkatang would be much more effective".

You are requested to take up the issue with Honorary Director Andaman & Nicobar Tribal Research and Training Institute for his valuable suggestions and comments so as to take further necessary action.

Yours faithfully
