F. No: 9-3/AAJVS/2010/ 375

Dated the

04/08/2014

To,

The Assistant Engineer (Works)  
APWD  
Port Blair

Sub: Construction of base camp at Jirkatang-reg.  
Sir,

I am to reproduce herewith extracts of tour report undertaken by undersigned me and Shri. S.A. Awaradi, Member, RAB, Andaman & Nicobar Tribal Research and Training Institute on 19/07/2014. The Secretary (TW) directed to take immediate action as suggested in the tour report:-

"There is a vacant land adjacent to the present office of the Tribal Welfare Officer at Jirkatang. It may be ideal to use this land to bring up a Base Camp where the medical officer or other welfare employees can operate from. In the first instance, the area needs to be fenced to avoid encroachments and trespassers. Therefore, this matter of building of Base Camp could be taken up"

You are requested to submit necessary estimates for construction of a base camp in the style of a medical sub-centre comprising necessary rooms for Medical officer, pharmacy / injection room, toilet / bathroom, over head water storage tank and fencing from all sides (including main gate). The estimate may be submitted at an early date for obtaining a/a and e/s.

Yours faithfully,

Executive Secretary  
AAJVS
