ANDAMAN ADIM JANJATI VIKAS SAMITI
SECRETRIAT COMPLEX, PORT BLAIR**

e-mail: esaajvs@hotmail.com

F. No: 9-3/AAJVS/2010/ 377

Dated the

04/08/2014

To,

The Assistant Engineer (Works)
APWD
Port Blair

Sub: Construction of retaining wall and guest house at Adibasera-reg.
Sir,

I am to reproduce herewith extracts of tour report undertaken by undersigned me and Shri. S.A. Awaradi, Member, RAB, Andaman & Nicobar Tribal Research and Training Institute on 19/07/2014. The Secretary (TW) directed to take immediate action as suggested in the tour report:-

"There is a urgent need to raise retaining wall at the back side of the Adibasera since erosion due to drain particularly due to storm water is severe and likely to affect the Adibasera itself.

It is felt that there is a need to provide affordable accommodation for the employees of the AAJVS who are called on official work to Port Blair from their respective field areas. Now a days such employs cannot afford to stay in the lodges. In this connection it would be advisable to have a Guest-House Barrack in the Adibasera Complex. There is a piece of land available on one side towards ANIIDCO which can be used for the Guest-House Barrack"

You are requested to submit necessary estimates for construction of

- a) Retaining wall at the back of Adibasera
- b) Guest house-cum-barrack with toilet, bathroom for accommodating 10 officials

The estimate may be submitted at an early date for obtaining a/a and e/s.

Yours faithfully

Executive Secretary
AAJVS
