Sub – Compliance report regarding.

Reference – Office memorandum No.372 dated 04.08.2014.

Sir,

With reference to above cited memorandum regarding the subject as mention above. In these connection I would like to mention the following fact for your kind information and further course of action.

- That Sir, the medicine mentioning expiry date i.e September 2014 was received by the then Pharmacist of (Jirkatang to Middle Strait ) area, from Primary Health Centre Tushnabad. However the same has not been administer to the tribal patient.
- Myself very much take care of the medicine as far as the expiry date are concern, before administering the same to the Jarawa patient of the area.
- I never receive any medicine with short dated expiry.
- I assure you that myself also very much concern about the health and well being of the Jarawa population.

It is therefore submitted that no any short expiry medicine neither receive nor administer to the Jarawa patient in future.I will take care of that, throughout my tenure with the tribal population.

Submitted Please

Your's faithfully
