i)	Estimates for repair /maintenance of EWR from 13 km to 16 km points including construction of drains on the either side and construction of a semi-permanent structure at 16 km Point be called for from DFO (Nicobar Forest Division), Campbell Bay.	APWD has been requested APWD to execute the work	Divisional Forest Officer may expedite.
ii)	APWD shall submit the estimates for construction of Base Camp at 24 km point on the North South Road and 27 Km point on the East West Road. It was also decided that Dr. B.Das, Tribal Welfare Officer alongwith the officer concerned from APWD shall identify the site for the Base Camp to be constructed on 24 km point on North South Road and 27 km point on the East West Road within a month's time	Site selected at 24 KM North South Road by Tribal Welfare Officer Campbell Bay and Assistant Engineer, APWD, Campbell Bay. Necessary proposal to be submitted.	Letter may be sent to the Deputy Commissioner, Nicobar District to allot the land at 24 KM on North-South Road to AAJVS for welfare and protection of the Shompen tribes. Director (TW) to write to Deputy Commissioner (Nicobar) and pursue.
iii)	APWD shall take up the repair works of Shompen Sarai at Campbell Bay on priority basis and estimates, if any required be got sanctioned by the Department of Tribal Welfare	APWD to submit necessary estimates for repair of Shompen Sarai, Campbell Bay.	Assistant Engineer (Works) shall process the Estimates received from EE, Campbell Bay for renovation of Shompen Sarai for obtaining A/A and E/S.
iv)	As no contact had so far been established with the Shompens living in the North harn Part of Great Nicobar Island between Dugmar and Alexandria for extending the heath coverage and providing other relief measures, it was felt necessary that a temporary hut using the local material if constructed would be a great help in accessing the Shompens living in that area for the above purposes in fair weather. It was therefore decided that a temporary structure be constructed in the Northern	Tribal Welfare Officer, Campbell Bay asked to trek to Northern Great Nicobar island for establishment with Shompens	The issue may be taken up depending upon favourable weather
