Sub: Upgrading Primary School at New Chingen village, Campbell bay-reg
Sir,

In continuation of this Office letter even number dated 7th April 2010, I am directed to state that the Secretary (TW) visited New Chingen village, Campbell Bay on 1st April 2010 and observed that the existing primary school needs to be upgraded to a Middle School immediately.

Presently, the tribal Children ^{have to by boat to} travel to Campbell Bay for continuation of their education. For this purpose they have to depend on boat which sails only twice ^{in a day} a day. Further, there are chances for their exploitation in Campbell Bay. During her meeting with tribal leaders, they have expressed their strong desire to have a middle school at New Chingen Village so that their wards can continue their education without any risk or other perils.

Considering the demand of the tribal ~~in particular~~ and their overall welfare in general, it is requested to take necessary action to upgrade the existing primary school at New Chingen Village, Campbell Bay, to a Middle School during the current academic year 2010-2011.

Yours faithfully
