To,

The Director of Education,  
A&N Administration,  
Port Blair

Sub: Upgrading Primary School at New Chingen village, Campbell bay-reg  
Sir,

In continuation of this Office letter even number dated 7<sup>th</sup> April 2010, I am directed to state that the Secretary (TW) visited New Chingen village, Campbell Bay on 1<sup>st</sup> April 2010 and observed that the existing primary school needs to be upgraded to a Middle School immediately.

Presently, the tribal Children have to travel by boat to Campbell Bay for continuation of their education. For this purpose they have to depend on boat which sails only twice in a day. Further, there are chances for their exploitation in Campbell Bay. During her meeting with tribal leaders, they have expressed their strong desire to have a middle school at New Chingen Village so that their wards can continue their education without any risk or other perils.

Considering the demand of the tribal and their overall welfare, it is requested to take necessary action to upgrade the existing primary school at New Chingen Village, Campbell Bay, to a Middle School during the current academic year 2010-2011.

Yours faithfully
