SECRETARIAT COMPLEX, PORT BLAIR**

F. No: 9-3/AAJVS/2010/100

Dated: 06/05/2010

To,

The Principal Chief Conservator of Forests  
A&N islands  
Port Blair.

Sub: Allotment of land and preparation of estimate for c/o Shompen hut-reg  
Sir,

I am directed to state that the Secretary (TW) visited Campbell bay on 1st April 2010 in connection with finalization of the Shompen Policy. A copy of the tour note is enclosed for your kind perusal please.

During the above visit, it was decided to re-establish the Shompen Hut Complex at 18 Kilometre on the East-West Road so that the welfare activities for the welfare of the Shompen can be executed / monitored from this camp instead of Campbell bay. For this purpose, the DFO, Campbell bay was requested to allot an area of 200 Sqmtrs near the Bailey bridge and submit necessary estimates for construction an eco-hut. Copy of letter enclosed please. Presently, the welfare activities are being executed from Shompen Sarai located at Campbell Bay which attracts various sources of exploitation of the Shompen and it needs to be streamlined.

Considering the gravity of the situation and need to protect the tribes from all sorts of exploitation, it is requested to direct for allotment of suitable land near the Bailey Bridge 18 Km. East -West Road and for submission of an estimate for c/o Eco-huts for re-establishment of the Shompen Hut Complex for a/a and e/s.

Yours faithfully

(M.R.Trivedi)  
Executive Secretary
