

**ANDAMAN AND NICOBAR ADMINISTRATION**  
**DIRECTORATE OF TRIBAL WELFARE**  
Port Blair

Dated the 4/10/2011

ORDER NO: 393

06 (Six) major civil works of post tsunami construction / reconstruction of infrastructure at PTG settlement, Strait island, were assigned to APWD during the year 2006-07. While (03) three of the works were directly funded by this Directorate, (03) three were funded out of Grant-in-Aid to AAJVS. Except the approach path (bridal path) almost all other civil works have been completed, albeit at higher cost than the estimated costs obviously as a result of price escalation due to delay in completion of the works. However, the expenditure figure furnished / being furnished by all the four agencies viz.. this Directorate, the AAJVS, Executive Engineer, Construction Division No: 1, APWD, Port Blair and the Assistant Engineer (Works), O/o the Chief Engineer, APWD, Port Blair are found varying, thereby leading to confusion as well as suspicion.

As discussed with Principal Secretary (TW) and Director (TW), a team comprising of Shri. Rajen George, Senior Investigator, Directorate of Tribal Welfare and Shri. Mohan Kuruvilla, Accountant, AAJVS, shall attend the Office of the Executive Engineer, Construction Division No: I, APWD, Port Blair immediately and reconcile the data regarding expenditure so far incurred. While doing so, relevant documents i.e the initially approved estimates vis-à-vis Measurement Books may also be referred to. Executive Engineer, Construction Division No: I, APWD, Port Blair has already, after a meeting today, agreed to instruct his concerned Officers / Officials to join for reconciliation of the data.

The work should be commenced as early as possible and the report containing the reconciled figures be submitted by 10<sup>th</sup> October 2011 positively.
