Sir,

I am directed to refer your above mentioned letter and to inform you that it will be highly appreciable to go through the correspondence and discussion held during your absence from that office in the period mentioned. This department took up the estimate for development of site vide this office letter No. WS / 9-3 / CE / 2009-10 / 1583 dated 09/04/2009. It was also requested to accord in principle approval to take up the work in anticipation of formal sanction. However, there was no response from your office even after lapse of three years nor the estimate sanctioned from your end.

The Hon'ble Lieutenant Governor also directed the AAJVS to accord sanction, even though APWD is awaiting a formal concurrence from your side.

It will be appropriate to settle all the issues during your visit to the above site and grant a clear cut approval of the Competent Authority to complete the balance work and release of funds in a time-bound manner.

Yours faithfully,

(Jose. P. John)
