

Admn. team visits Strait Island

Port Blair, Oct 15

A team of senior officers of the A&N Administration today visited Great Andamanese primitive tribal settlement Strait Island to take stock of the ongoing rehabilitation works relating to the construction of permanent shelter and infrastructure for these primitive tribes in the newly selected site on high

ground.

The team included, among others, Secretary (TW), Deputy Commissioner, South Andaman, Director-cum-Special Secretary, Tourism, Director (TW), Director Shipping Services, Director Education, Joint Secretary Agriculture, Superintending Engineer Electricity.
