8	<p>I had visited the Great Andamanese settlement Strait Island on 31<sup>st</sup> August 2011 and found that the condition of post Tsunami civil works where I had left three years ago not a standstill but is worse. A copy of my observations recorded on the inspection note of the settlement is placed opposite side for kind perusal please.</p>
8	<p>I take it in a very positive note that immediately on my return from Strait Island, perhaps wherefrom they came to know, the Executive Engineer, CD-I, Assistant Engineer and Junior Engineer called on me on 3<sup>rd</sup> September 2011. We had an elaborate discussion. The Executive Engineer. AE and JE concerned are visiting Strait Island on 7<sup>th</sup> September 2011. I shall also propose to accompany them for an on the spot settlement / redressal of the lacunae.</p>
