96 This is a letter from A.E (works)
APWD, Port Blair stating that
during the absence of Sh. Gird
Ram, ES, APWS, the dept. took
up the estimate for development
of site and requested for formal
sanction but there was no response
from APWS.

97 In this connection, it is
submitted that APWD has submitted
estimate for R.2.00 crore towards
development of site at Strail
Island, but the Secretary (WS)
observed that APWD has inordinately
delayed civil works at Strail Island
and detailed justification is required.
The estimate was henceforth returned
back.
