approximately five months is absolutely suitable for completing the work in all respect.

Since the PWD had requested for release of additional fund of ₹ 1.53 crores, the same may be considered in the first instance and the PWD may be directed to resubmit the actual estimates specifically for the two works i.e (i) construction of toe walls/retaining walls/ (ii) CC approach path. The PWD should however not waste any more time in codal formalities like preparation of estimates, inviting of tenders etc. etc.

Submitted please.
