

Placed in the file for perusal. As stated we have to release further fund to APWD to complete all the works which is being taken up by APWD as stated at para 117/N.

(122)

~~Further~~ Additional fund required as projected at para 117/N may be considered only on submission of estimates for the remaining work. Therefore the present proposal is to:

- i) Release Rs 1.53 Crores to APWD.
- ii) APWD to submit estimates for the left out works.
- iii) Pending proposal for estimate preparation for remaining work, we may ask APWD to take the works immediately so that the direction of Lt-Governor to complete the work in time, is accomplished.
