Pr. Sec (TW)

This needs to be discussed with
APWD and course of action charted
out. As the funds are to be
released by Min. of Tribal Affairs,
we need to have the necessary
estimates ready in the meantime,
so that work can be taken up
in the coming season. Releasing
funds at this stage to APWD may
not be possible.

Dir (TW)

We may discuss this issue
Pr. Sec (TW). In the mean time
APWD be asked to prepare the
estimate as desired.
