166 PUC is an estimate received the Assistant Engineer (Works), APWD towards construction of 08 numbers of low cost septic tank at Strait Island. The estimate has been prepared based on the demand raised by the tribal for repair of the existing septic tank in the old settlement.

167 During the recent visit of Director (TW) accompanying the Chief Engineer, APWD and other Senior Officers / Engineers paid a visit of Strait Island, where the Great Andamanese stated that all their toilets are blocked and demanded for repair / renovation. It was decided that single pit septic tanks may be constructed for each of the 08 houses

168 The APWD has prepared an estimate for Ras.92131/- towards the above 08 septic tanks which is to be executed by contract within a period of one month.

169 It is proposed that the above estimate may be accorded administrative approval and expenditure sanction. The Director (TW) is the competent authority to approve the above proposal.

170 Submitted for approval please.
