Sub: - Requesting for construction of pucca house-reg.

Respected Sir,

Most humbly and respectfully, I beg to state that I am Meo S/o late. Jirake, R/o Straight Island belonging to primitive aboriginal tribes of Great Andamanese, I along with my family living in Straight Island in a thatched temporary house. Moreover, the house is in dilapidated condition, staying under the roof is really endanger to us. In this regard, I had done several requests to the Administration to build a pucca house to my family and me, so I can live a peaceful life, but no fruitful results until today.

In this connection most humbly, I request you, Sir, to kindly take the needful action for constructing a pucca house to my family and me as earliest as possible.

I do pray, Sir, that you will favorably consider my humble request.

Thanking you very much, Sir,

Yours faithfully,
