and by going through the records / court judgement, of 5th March '12 hearing. Similarly on Jan 18' 2012, the affidavit in opposition was to be filed within two weeks and, reply, if any was to be filed within one week. But in the hearing of 21st Feb 2012, Advocate of AAJVS asked for an extension of Two days to file an affidavit in opposition. This clearly shows, that even though we are not directly involved in the case, but still our responses are lethargic causing unnecessary delays. I would like to see how court cases are being handled by AAJVS, whether they have register, and system of timely communication in all court cases or not. If not please fix the responsibility on the person concerned, and put up the file in one week. ~~AAJVS~~
