This is a letter from the Executive Engineer, APWD, Construction Division-I, Port Blair enclosing a monthly progress report on the physical and financial progress of civil works for the month of 10/2010.

On perusal of the report, it can be seen that three works were allotted to APWD by AAJVS for execution at Strait island and two out the three works from are complete i.e. 1 and 2. For the 3rd work IEI (Internal Electrical installation) work is pending.

We may take up the matter with APWD for handing over of work at Sl. No 1 and 2 and complete the IEI works for S.L. NO.: 3. Meanwhile, we may also direct our Plantation-in-charge, to inspect the site and submit a status report.

Submitted for approval please.
