Port Blair, dated the 29th April, 1997.

To

Chief Engineer

Sub : Adjustment of deposits made by AAJVS with ALHW for various works - reg.

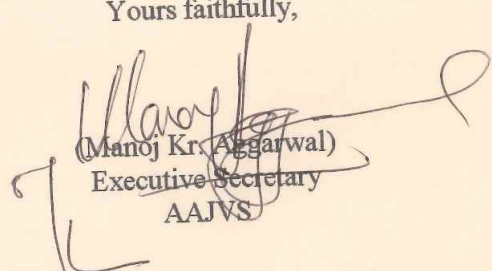

Sir,

This is further to our letter of 13/02/1997 conveying the decision of the Hon'ble Lt. Governor, A&N Islands directing that all outstanding advances with the various departments by AAJVS are to be adjusted within seven days. You will also recall in this connection the meeting held in the chamber of Chief Secretary on 10/03/97 wherein it was stated that final accounts with reference to these deposits will be furnished shortly.

In this connection we have received accounts from Deputy Chief Engineer-IV, Andaman Harbour Works, Deshmukh Nagar, Hut Bay vide his letter No. EEM/LA/A-14/Deposit Works/902 dated 11/03/97 and Signal of even No. dated 11/03/97. However I am to state that due to oversight the accounts of works commissioned by AAJVS and Andaman & Nicobar Administration have been mixed up and I have written a detailed clarification letter to him along with a copy to you vide our reference No. 718 dated 22/03/1997. However the necessary adjustment has not been done yet.

Hence, your personal intervention in the matter is requested so that necessary action may be taken to furnish the final accounts with necessary adjustments made as suggested vide our letter refereed above at the earliest as this matter is a top priority and is receiving attention at the highest levels.

Yours faithfully,

(Manoj Kr. Aggarwal)
Executive Secretary
