

Subject :

Para
No.

39

Please refer to Secretary(TW)'s observations at para 22/n above. It is regarding the progress made in the adjustment against the advances sanctioned by AAJVS to the departments like Directorate of Health Services, Electricity, APWD, and Harbour Works.

40

In a meeting held in the chamber of Vice Chairman (CS) on 10.3.97, it was decided that the concerned departments will take necessary action to send reports rendering the accounts to AAJVS. So far AAJVS has received the accounts from SE Electricity and CE, ALHW. SE Electricity rendered the accounts for an advance of Rs.4,01,300/- while the accounts of another advance of Rs.4,26,000 is yet to be rendered by him.

41

CE, APWD while rendering the accounts has clubbed funds / advances received from AAJVS and the government departments. As such, he has already been asked to separate the accounts so that AAJVS advance can be adjusted.

42

Director of Health Services and CE, APWD, have not rendered any accounts so far against the advances.

43

The details of the advances made to DHS has already been supplied to the DHS by Executive Secretary.. CE, APWD, has stated in the meeting held in the chamber of CS on 10.3.97 that he will be able to render accounts following the closing of financial year 96-97.

44

Though all the departments concerned have been asked to render the accounts for advances they have received from AAJVS urgently, Vice Chairman (CS) may like to have a brief meeting with the concerned departments again to review the progress. In this context, Vice Chairman may like to indicate a definite date for such a meeting.
