Sir,

SA

Please refer to your letter referred to above. The details of Expenditure incurred on each work upto 31.3.94 and the deposits made to this division has already been furnished to you vide this office letter No. 23-Accts/CDI/PB/94/1387 dated 12.7.94. (Page 98 of closed file No. 67/94-95)

However I am enclosing herewith a list of deposits and works carried out by this division, showing the details of deposits and Expenditure incurred and the balance lying against each works upto 31.3.94 for your informations. It is also requested that early steps may be taken to deposit the amount incurred in excess as shown in the list. Since the works at Little Andamans has been transferred to the Executive Engineer, M.I.D., APWD, Hut Bay, the balance amount lying with this division is to be transferred to Executive Engineer, M.I.D. But this division is not in a position to transfer the balance amount to the M.I.D. as the Expenditure on ^{many} works are excess than the deposits. These excess expenditure is to be adjusted either with the Balance lying in other works or ^{the amount} to be deposited immediately.

You are, therefore, requested to look into the matter personally and arrange to deposit amount against each work as shown in the list showing (-) figures, to this division immediately so as to enable this office to transfer the balance amount to Executive Engineer, M.I.D.

Yours faithfully,

Encl: One list.

EXECUTIVE ENGINEER,
CDI, APWD, PORT BLAIR.
