Total		15	

A list of employees of AAJVS posted at Tribal Settlements are placed at page 11-14/C opposite for kind perusal please.

AAJVS is a field based Organization established for the welfare of the Primitive Tribal Groups and employees are required in good number at Jarawa Reserve areas in Tirur and Middle Strait in South Andaman, Baratang, Kadamtala, Great Nicobar and Dugong Creek in Little Andaman. It is pertinent to mention that mostly round the clock services of staff as watch and ward are required at Primary Health Centres at R.K. Pur, Tushnabad and Kadamtala as well as Port Blair. Further a new Jarawa ward is coming up at Primary Health Centre, Baratang for which additional employees are required.

Presently, the existing staff from any of the Jarawa camps at Dhani Nallah, Tirur etc are diverted and deployed on duty in Primary Health Centre at Kadamtala and Tushnabad, which hampers execution of daily routine works.
