(ii) ***Transfer and posting of Great Andamanese government servants from Port Blair to Strait Island.***

It was decided that all the Great Andamanese Government employees posted at Port Blair should be transferred to Strait island depending upon the vacant posts available at Strait island. All concerned departments may explore the possibilities to implement the same.

**VI. Agenda Point : 6**

***Health delivery system for the Primitive tribal group***

It was decided that Director of Health Service should document all details about health delivery system for the tribes. The Medical Officer, Long Island should visit Strait island every month and Medical Officer, R.K. Pur to Dugong Creek once in every fortnight. It was also decided that Pharmacist and ANM should stay at Dugong Creek and Strait island regularly.

It was decided that the medical team constituted for the health coverage of the Primitive Tribal Group's should visit all tribal areas once in every month and submit a report to the Director of Health Service and AAJVS. A monthly review meeting at Secretary level may be convened to review the progress and remedial measures to be taken to protect the tribes from health hazards.

**VII. Agenda Point : 7**

**a) *Recommendations of Shri Jairam Ramesh, Hon'ble Minister of Commerce and Industries***

Chairman informed the house that the employees of AAJVS appointed on contract are really working very hard in a difficult area with sincerity and steps should be taken to create posts for them. They are also paid very less. It was approved in principle that these employees are required by AAJVS in future too as such, AAJVS shall prepare the recruitment rules for Field attendants. They should be appointed on contract basis. It was also decided that these Mazdoors shall be re-designated as Field Attendants.
